Summary of Position

The Intern will work with the Senior Vice President of Acquisitions as well as the Vice President of Business Development on research and analysis related to podiatry practice acquisitions.

Duties & Responsibilities

- Help identify potential prospect/target companies using a broad range of research tools.
- Perform general industry research.
- Assist with conducting due diligence for acquisition targets.
- Prepare consolidated analysis reports of target financial statements.
- Ensure quality of client deliverables by having strong attention to detail.

Qualifications & Experience

- Pursuing a master's degree in finance, accounting, business administration, or management from an accredited university.
- Major GPA of 3.0 or above.
- Proficient in Microsoft Office suite, with strong Excel skills.
- Analytical ability and attention to detail.
- Self-starter, highly motivated, and able to complete tasks with minimal supervision.
- Strong communication skills both verbally and written, compassion, and a positive demeanor.
